School Uniform Policy Implementation Statement

RATIONALE

The following guidelines have been developed to support the Department of Education's *School Uniform Policy*. Quakers Hill Public School is proud of its reputation in the community and our attractive uniform contributes to the school's identity and spirit. The school uniform promotes our school as a centre of excellence and creates a sense of belonging for students and a positive identity for the school community. School uniforms contribute to the personal safety of students by allowing easier recognition of students inside the school and in the community. The purpose of this document is to provide students, parents/carers and staff with a clear and common understanding of school uniform requirements. The *School Uniform Implementation Statement* has been developed following consultation with the school community and is strongly supported and endorsed by the Parent and Citizens Association.

RESPONSIBILITIES

- The school will set uniform requirements that are affordable, comfortable, made from easy-care fabrics, appropriate for activity and suitable for all body shapes
- Parents and carers will support the school by providing their child/children with a school uniform that meets the school's uniform requirements
- Students will wear the full school uniform during school hours, while travelling to and from school, and when engaged in school activities out of school hours
- Staff will positively encourage students to wear the correct school uniform at all times
- The school will ensure support is available for families needing assistance to obtain a school uniform. The school also has an inexpensive clothing pool with good quality second hand items.

SCHOOL GUIDELINES

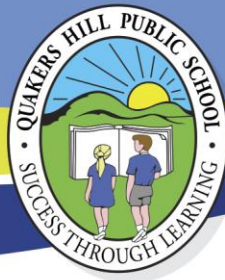

Students have two uniforms, an everyday and a sports uniform. Sports uniforms are worn on Fridays for sport and on other occasions as designated by the school. The everyday uniform is worn at all other times unless advised by the school. Students are not to wear a combination of the everyday and sports uniform.

In general the summer uniform is worn in Terms 1 and 4, while the winter uniform is worn in Terms 2 and 3. With variable weather patterns, however a phasing in period will occur where students can wear either the summer and winter uniform in the 3 weeks either side of the Term 1 and Term 3 school holidays. It is expected that the uniform be neat, clean, well-maintained and clearly labelled with the student's name. Lost items with names can be returned.

All uniform items can be purchased at the school clothing pool.
