Dear Parents/Carers

In 2019, some primary classes will be using The School Magazine in their classrooms.

This magazine is a tremendous mixture of reading with poems, stories, plays and puzzles. The Department of Education provides teachers with exemplary teaching units to accompany the magazines which help to provide a balanced Literacy program. The students are very motivated to receive a new magazine each month.

The cost of the magazine subscription is \$12 annually which entitles the students to 10 magazines throughout the year. At the end of the year the students are able to bring their collection of magazines home.

Each child will be individually receipted.

**Please return your payment with the note below and place it in the money collection box outside the office by Friday 29th March 2019.**
