Year 4 Bring Your Own Device

Following the successful implementation of the Bring Your Own Device (BYOD) program across Stage 3 and Year 4 classes, Quakers Hill Public School is expanding the program to include Year 3 classes in 2019. Students who choose to participate in the program will be permitted to bring in their own devices from home to participate in learning activities in the classroom.

Should students wish to participate in the program, they need to sign and return the student agreement form prior to bringing in their device. The student agreement outlines the responsibilities and obligations of students and parents as part of the program. Full details pertaining to the program can be found in the school's BYOD policy, which is located on our school's website.

Uniforms can be purchased through the uniform shop.

Expectations

Quakers Hill Public School prides itself on being a school that demonstrates innovation, excellence and success; these are the foundations upon which our school is built. It is through our PBL welfare system and our school expectations of **Safe, Responsible, Proud Learners** that we nurture our students to achieve great success.
