School Canteen News

Dear Parents/Carers,

From the start of Term 3, Healthy Canteens Australia will be operating out of our school canteen. Healthy Canteens Australia is a family business that has worked directly in school canteens for more than twenty years. They focus on making food fresh on the premises daily from natural, unprocessed ingredients and are committed to passionate, dedicated customer service.

Healthy Canteens Australia will offer online ordering through a new company called Flexischools (information attached) and will open the canteen each day from 8.40 am for families to order their lunch before school. A copy of the menu will be distributed to all students and advertised on the school's website, SchoolStream app and Facebook page before the end of term.

Munch Monitor online orders for Total Canteen Solutions will cease on **Friday 5 July 2019**. Parents can organise for any remaining balance on their Munch Monitor account to be refunded to their credit card or bank account.

We thank Total Canteen Solutions for their services over the past year and we apologise for any disruption caused as we transition to the new provider and appreciate your patience, support and understanding at this time.

If you have any questions, please feel free to contact the school office.

Bert Lo Campo
Principal

Rosannagh Ryan
Deputy Principal
