In preparation for the Stage 3 Canberra Overnight Excursion scheduled for Term 3 2019, we ask that you complete the attached **Medical and Consent Form**. Please ensure all questions are answered accurately and **if a question is not relevant to your child please write *Non Applicable* or *N/A***. If a question is left without a response, we will need to reissue the form to obtain an answer. The information is obtained so that Quakers Hill Public School staff can deliver a high quality program that meets the needs of your child.

Should your child require any sort of medication (including asthma puffers) throughout the duration of the excursion we ask that you complete the additional **Stage 3 Camp Medication Form 2019**. You may provide your child's teacher with any medication a few days before the camp or on the morning of departure. Please store any medication in a secured zip-lock bag with your child's details and dosage clearly recorded. If your child does not require medication throughout the stay, then there is no need to complete this form.

Please complete the relevant attached forms and return to your child's classroom teacher by **Monday 19 August 2019**. If you have any further queries or questions, please contact your child's class teacher. **Payment Reminder: please ensure that scheduled payments are made to the office. The final payment is due 13 August 2019 and late payments cannot be accepted. Please see the office staff if you are unsure of the amount you have paid thus far.**
