

Stage One Community Event TAKING CARE OF THE ENVIRONMENT

Dear Parents/Carers,

In Science and Geography, Stage 1 have been learning all about taking care of their environment. To celebrate our learning, the Stage 1 students and teachers would like to invite our parents/carers to help improve our outdoor learning environment. This will take place on **Thursday 8 August 2019 from 9:30 am until 10:30 am.**

Parents and children will be participating in gardening activities, such as adding new plants and mulch to the garden beds, which have been kindly donated by the Quakers Hill Public School community. We encourage parents to bring along gloves for you and your child, a hat and garden spade.

If you would like to come along and join in on the fun with the students and their teachers, could you please return the slip below before Friday 2 August 2019.

We look forward to seeing you there!

Kind regards,

Brittany Kenny
Coordinator

Bert Lo Campo
Principal

I _____ of child/ren _____ in class _____
(name) (Child's name) (class name)

would like to attend the gardening community event on Thursday 8 of August 2019 at 9:30 am.
