## Loose Change Fundraiser!

Through parliament, the Year 6 students have initiated a fundraising campaign to raise money towards the upgrade of the student toilets. A committee has been formed, with students currently working on designs to renovate the toilets; making the facilities brighter and cleaner.

The fundraising campaign is a loose change collection. **We want any coins that you can spare 5c, 10c, 20c, 50c or GOLD coins!** You will be surprised how quickly those cents can add up.

Each class has been provided with a money box to collect the donations in. When the fundraiser finishes at the end of Week 7, there will be a prize for the K-2 and 3-6 class that raise the most money (updates will be given at Wednesday morning assemblies).

We thank you for your ongoing support.
