

RETURNING TO SCHOOL 2020

Dear Parents/Caregivers,

The 2019 school year has flown by and it is time to start considering the school's organisation for 2020 and begin looking at student enrolments. It is extremely important that the school has a good idea of its anticipated numbers for the 2020 school year. These anticipated numbers need to be sent to the Department of Education so that anticipated staffing and budgets can be organised so that our students have the best possible resourcing in place.

Please indicate below if your child(ren) is/are returning to Quakers Hill next year, but starting after January 29. Or if your child(ren) will be enrolling in another school. Your support with this information, especially if returning after the start of the school year, is very much appreciated.

***No reply is needed if your child(ren) are returning to QHPS on the first day of school 2020.**
