

1 June 2020

Dear Parents/Carers,

As part of the History unit of work being completed this term for Kindergarten, we would like the children to celebrate and share their culture and family history.

We would love it if you could provide some or all of the following items (or photos of) to be used and shared throughout the unit.

- Family photos of a few different celebrations/events from the past to include in a class presentation. Students will be asked to share the names/relationships of the people in the photo and what event is taking place.
- Information about their family heritage (parents' country of birth, religious and/or important events celebrated, old family stories from their grandparents) so we can map countries of birth on a world map, create a graph showing the celebrations we have in common and to discuss how families share their family's stories. (Space is provided below to write the information)

The photos will be returned to you (please write your child's name on the back).

Please return this note with the photos (or photocopies of the photos) to the class teacher by Monday 8th of June 2020, week 6.

Thank you for supporting your child's learning.

Kind regards,

Kindergarten
