## Class of 2022 Yearbook

Dear Parents/Carers,

This year, we are creating yearbooks to commemorate the end of Year 6 for our students. A yearbook is a cherished memory for your child of their time at Quakers Hill Public School. Parents/carers have the opportunity to purchase a yearbook for their child at a cost of \$15.00.

The yearbook will display your child's name and school photo, if you give permission for your child's name and photo to be published in the commemorative yearbook, please log into the School Stream app and fill out the permission form. You can also elect to purchase a yearbook by selecting your payment option. Permission and payment are due by **Friday 14 October 2022**.

***Please note, you must fill in the permission form on School Stream regardless of if you intend to purchase a yearbook or not.***
