

Quakers Hill Public School Parents and Citizens Association

The Parents and Citizens Association (P&C) is an excellent forum to find out what is happening in the school, to meet other parents and supporters of the school and to become an active and involved member of the school community. It is also a great way to support your child's education.

What is a P&C Association?

A P&C Association is a school-based organisation consisting of parents, teachers and interested citizens.

P&C Associations are established to:

Promote the interest of the school by bringing parents, citizens, students and teaching staff into close co-operation;

- Assist in providing facilities and equipment for the school and promoting the recreation and welfare of the students at the school
- Encourage parent and community participation in curriculum and other educational issues in schools
- Assist and co-operate with teaching staff at public functions associated with the school

We would love as many of our community members as possible to become involved with the P&C

The QHPS P&C are always looking for more members and volunteers to attend meetings and help at school events, such as the upcoming Father's Day Breakfast. A larger cohort of participants from our school community will greatly improve the P&C's ability to effectively represent all children. Engaged P&C members in strong numbers gives us the best opportunity to combine expertise and resources, resulting in greater output and success.

The QHPS P&C meet twice a term on Wednesdays (Week 3 and Week 8). The P&C meetings are relaxed and friendly and held in the school staffroom. ***In order to best suit our community needs, we are asking parents/carers to use the link or qr code to complete the survey and have your say about our P&C meeting times*** <https://bit.ly/3bOCIBz>

The survey closes on Friday 26 August 2022.
