

12 September 2022

Dear Parents/Carers,

Quakers Hill Public School is committed to ensuring that the school environment is continuously improving and maintained to the best possible standard. To make this achievable we need to add new plants to our already thriving gardens, and therefore are asking for your help!

Blacktown City Council offers two (2) free plants per household each financial year. If you have not already collected these plants, we are asking that you consider donating these to the school. The plants will then be planted in the school gardens.

If you would like to kindly donate your two (2) free plants to our school we would greatly appreciate the contribution. Please fill out the details below and return to the office before 23 September 2022. We will then select the appropriate plants and arrange delivery.

Thank you for your help with making our school greener!

Kind Regards,

Bert Lo Campo
Principal

Shonah Gibson
Rel. Deputy Principal

I _____ of
(name)

(address)

have **NOT** collected my two (2) free plants from Blacktown City Council this financial year and would like to donate them to Quakers Hill Public School, Medlow Drive, Quakers Hill.
