

## SCHOOL PHOTOGRAPHS

Dear parents and carers,

School photographs will be taken at school on **Tuesday 15 and Wednesday 16 March 2022**. Whilst envelopes for individual student photographs are distributed, if possible, it is Advancedlife's preference that ordering be completed online to reduce administration and other issues related to the return of cash and envelopes on photo day. Spare envelopes and sibling photograph order envelopes are available at the school office upon request.

Class photos will take place on **Tuesday 15 March** whilst family and sibling photos will be taken only on **Wednesday 16 March**. These photos are for school aged students attending the school. Family and sibling photos can only be taken on the day if payment has already been made. It is expected that students wear full school uniform for photo day.

Orders for packages and sibling photographs can be placed securely online at [www.advancedlife.com.au](http://www.advancedlife.com.au) using our school's unique **9 digit advancedorder code: N72 JLL NLC**. Please return the **envelope only if you are paying via cash, cheque or money order and place in the school money slot by Friday 11 March 2022**. If you are placing an order online then you do not need to return the envelope. Please read the attached instructions carefully regarding payment as all late orders placed with the photographer will incur a late fee. All class photo orders and family photo orders will be cut off at 3:30 pm on Friday 11 March 2022.

Late orders must be placed online with Advancedlife and cannot be accepted by the school office.

**Please see the attached note for information about how to order. Payments cannot be accepted through the school's online payment system.**

Should you have any further queries concerning school photographs or online ordering, please contact Advancedlife Photography directly via [enquiries@advancedlife.com.au](mailto:enquiries@advancedlife.com.au).
