

### NOTIFICATION OF EXCURSION – Nature at Nurragingy

An excursion has been organised for Stage 2 students. The *Nature at Nurragingy* excursion consolidates learning in the Science unit, *Living World*. Students will be provided the opportunity to immerse in a variety of hands-on activities. This includes surveying animals by viewing inside nest boxes and taking a guided tour to search for pollinating or seed dispersing animals. Students will also learn how to analyse the diversity and abundance of species in an ecosystem to determine its health. On the day, students will participate in conducting scientific tests to analyse water quality too.

**Where:** Nurragingy Reserve, Knox Rd, Doonside NSW

**When:**

**Monday (12/09/22)** – 3W, 3J, 3K, 4C

**Wednesday (14/09/22)** - 4M, 4D, 34N, 3A

**Thursday (15/09/22)** - 3M, 4H, 4S

**Cost:** \$0

**Time:** Students need to be at the silver seats **by 8:40am**. Students will return at normal school time.

**Additional Information:**

- **Sunscreen** should be worn before coming to school.
- Students must bring a **school hat** for sun protection.
- Students must wear **full sports uniform along with enclosed shoes**.
- **A pencil and an eraser** to work in their given workbooks which will be given on the day.
- **Recess, lunch and water bottle to be brought in an excursion (library) bag**. We encourage parents to provide a **low litter lunch** to reduce the amount of rubbish on our visit to the natural reserve and to protect our environment.

Please complete the **parental permission form Stage 2: Nature at Nurragingy Excursion** via the **School Stream app** by **Friday 2 September 2022**.

*If you have any further queries or questions, please contact your child's class teacher.*
