## Book Week 2023

### *Read, Grow, Inspire ...*

Dear Parents/Carers,

This year, QHPS will celebrate Book Week in Week 9, with the theme for this year being *Read, Grow, Inspire...* Book Week is an Australian tradition, originating in 1945, that celebrates Australian authors and illustrators that have an impact on children and young adults.

Our annual Book Week celebrations will include a **Book Week Parade** scheduled for **Tuesday 12 September 2023** at **9:30 am** under the COLA. **Students are invited to dress up as their favourite book character** and partake in a range of activities throughout the day aimed at highlighting the importance and joy of reading.

All members of our Quakers Hill Public School community are invited to attend the parade and even dress up as their own favourite character!

We look forward to seeing you there!

Bert Lo Campo  
Principal
