

Helping you help your kids.....

with emotions and behaviours

You are invited to an information session with the Got It! team and other parents.

Got It! is a school-based early intervention program provided by a specialist health team in partnership with your child's school.

It targets disruptive and challenging behaviours and is designed to support children, parents and teachers.

Got It! aims to:

- Strengthen children's social, emotional development and social skills
- Strengthen parenting capacity and parent-child relationship
- Reduce disruptive and challenging behaviours
- Support children's capacity for academic and social achievement
- Strengthen the capacity of school staff to respond effectively to children with emerging behaviour challenges, and their families.

All parents are invited to attend to find out how to help your kids learn about emotions.

All families with children in K-2 will receive an information regarding further involvement in the program.

Please RSVP to your child's classroom teacher by Friday 5th May 2023
