Should your child require any sort of medication (including asthma puffer, travel sickness tablets, prescription medication etc.) throughout the duration of the excursion, the additional **Stage 3 Canberra Overnight Excursion Medication Form 2023** (attached) needs to be completed. You may provide your child's teacher with any medication a few days before the camp or on the morning of departure. Please store any medication in a secured zip-lock bag with your child's details and dosage clearly recorded. If your child does not require medication throughout the stay, then there is no need to complete this form. Any unregistered medication will be supervised by staff until the end of camp.

Please note, the Stage 3 Canberra Excursion needs to be paid in full (\$265) no later than **Friday 15 September 2023** (Week 9).

Further information will be distributed about the excursion and packing requirements prior to the end of Term 3.
