STAGE 3 – OLYMPICS UNLEASHED

Dear Parents and Carers,

Olympics Unleashed is a program that brings Olympians and aspiring Olympians into classrooms to inspire and motivate students to be their personal best – whether that's in sport, in the classroom or out in the community!

Through this free program, Stage 3 are lucky to have a visit from Nathan Katz, a Judo Olympian. He will be visiting our school on Monday 20 November 2023, and students will engage in a presentation about being an Olympic athlete and have the opportunity to ask him questions.

This visit will encourage students to set goals, overcome challenges, follow their passions and inspire them to be a part of the Australian Olympic Team as we approach future Olympic Games.

We trust that all students will benefit from this experience.

Bert Lo Campo
