

Fluro FEST.

4 March 2024

Activity Name:	Fluro Fest Major Fundraiser
Date/Time:	Thursday 4 April 2024 9:15am - 3:15pm
Description:	<p>The Fluro Fest Major Fundraiser is happening on the 4th of April in Week 10 this term. Join us for the brightest and happiest day of the school year! Expect giant inflatables, a disco and buying time, including novelty items, slushies, fairy floss and show bags. Dress up in your best fluro gear. The \$25 cost includes participation in the whole day event. Tokens for novelty buying time are sold separately, please see below for information about buying tokens.</p> <p>This year, we are raising funds to purchase new laptops and iPads to replace the aging devices in our classrooms.</p>
Cost:	\$25.00
Venue:	Quakers Hill Public School
Due Date:	Thursday 28 March 2024

To participate in Fluro Fest, parents/carers are required to make the \$25 payment and provide consent via the link emailed or on the activities page of the School Bytes Parent Portal.

For students to participate in the novelty buying time, a cashless system will be utilised on the day. Tokens will need to be purchased separately - \$1 equals 1 token. Tokens can be used to purchase novelty items, showbags, fairy floss and/or slushies. *Please note, only students who have paid the \$25 participation fee can purchase tokens and participate in the novelty buying time.*

Tokens can be purchased online through the School Bytes Parent Portal up until the day prior to the event. These tokens will be recorded on the student's token card, with the card issued to students on the day of Fluro Fest. Novelty items will range in price from 1 – 9 tokens. There is no limit to the number of tokens a student can buy; however, we anticipate that children should not need more than \$15 to \$20 each to participate.

Instructions for buying tokens online:

1. Navigate to the School Bytes Parent Portal dashboard and click on the *statement of account* button.
2. At the bottom of the statement click add other item, select *Tokens Fluro Fest* and click *add items*.
3. Enter the dollar value of tokens you wish to purchase and then click *pay now*.

The item, *Tokens Fluro Fest*, can be added for each student. Each student will need their own token card to participate in novelty buying time with their class.

On the morning of the event, tokens can be purchased using cash at the back of the office.
