

Child Protection Education – Stage 3

Dear parents and carers,

This semester students in Stage 3 will be involved in the mandatory subject Personal Development, Health and Physical Education (PDHPE).

Part of our school's PDHPE program includes mandatory child protection education. Some of the content taught in child protection education deals with sensitive issues. The school will teach this content in an age-appropriate way.

Child protection education will be taught once a week throughout the semester.

The specific content which will be covered in child protection education includes:

- Rights and responsibilities in relationships
- Emotions and warning signs in different situations
- Male and female body parts and puberty related changes
- Positive relationships and support networks to manage change
- Gender stereotypes and expectations
- Types of abuse
- Communicating and cooperating with others in a respectful way
- Making informed and safe decisions
- Strategies to stay safe and ask for help

For more information about child protection education go to the Child protection and respectful relationships education section on the Department of Education's PDHPE website <https://education.nsw.gov.au/teaching-and-learning/curriculum/key-learning-areas/pdhpe/child-protection-and-respectful-relationships-education>

If you would like more information or to discuss your child's participation, please contact your child's classroom teacher.
